California Family Code §6910 expressly provides that a parent or legal guardian may authorize an adult or entity into whose custody a child is entrusted to consent to necessary medical treatment. In the best interest of your child, USC Student Health seeks such written authorization.

Pursuant to Family Code §6910, I am the:

Parent Legal Custodian Guardian _____
(Describe Legal Relationship)

of _____, a minor.
(First Name, Last Name of Minor)

USC ID: _____
(10 Digit USC Student Identification)

I hereby authorize USC Student Health to provide treatment and care including x-ray examination, anesthetic, medical or surgical diagnosis or treatment, hospital care, mental health treatment or counseling to be rendered under the general or special supervision of any physician or surgeon an/or psychiatrist licensed under the provisions of the Medical Practice Act whether such diagnosis or treatment is rendered at USC Student Health or designated hospital. The administration of immunizing vaccines is also authorized.

- It is understood that this authorization is given in advance of any specific diagnosis or treatment being required, but is given to provide authority and power to provide necessary diagnostics and care.
- This authorization shall remain in effect until minor turns 18, unless written revocation is delivered to USC Student Health.
- If there are any changes in the status of legal guardianship/parent status, I understand that it is my responsibility to notify USC Student Health of any such changes
- If you choose not to sign or consent to this form, emergency medical providers will provide stabilization treatment, but nothing further, until you are contacted for consent.
